Day-to-day move ups will be taken for classes that are duplicated throughout the trial.

Please volunteer to work, the more help we have, the faster the trial can run. There will be worker raffles. Workers receive lunch, worker bucks good for future entries and a raffle ticket for each class worked. If it wasn't for our wonderful volunteers, we couldn't run the trials and play!

Lunch will be provided for our judge and workers. If there are leftovers, it will be opened to other exhibitors for a donation.

**Thank you for choosing to play with  
Canine Sports & Games at our first agility trial  
Wishing you a fun-filled weekend!**
