Jackpot 5C

BRIEFING: The startline is bidirectional. Everything may be taken twice successfully for points during the opening time. Back to back is fine as long as it is done safely. In the opening no two sequentially numbered gamble obstacles may be taken back to back or you negate your gamble. Once the horn sounds you stop accumulating points and must successfully complete the gamble (2,4,6,8) within the time allowed to Q.

The #8 tunnel in the jackpot is live after the first horn.

1 point obstacles- single jumps
 3 point obstacles- tunnels, weaves and double jump
 5 point obstacles -Combo, Dogwalk, Aframe
 The double is 7 points first time, 3 points second time

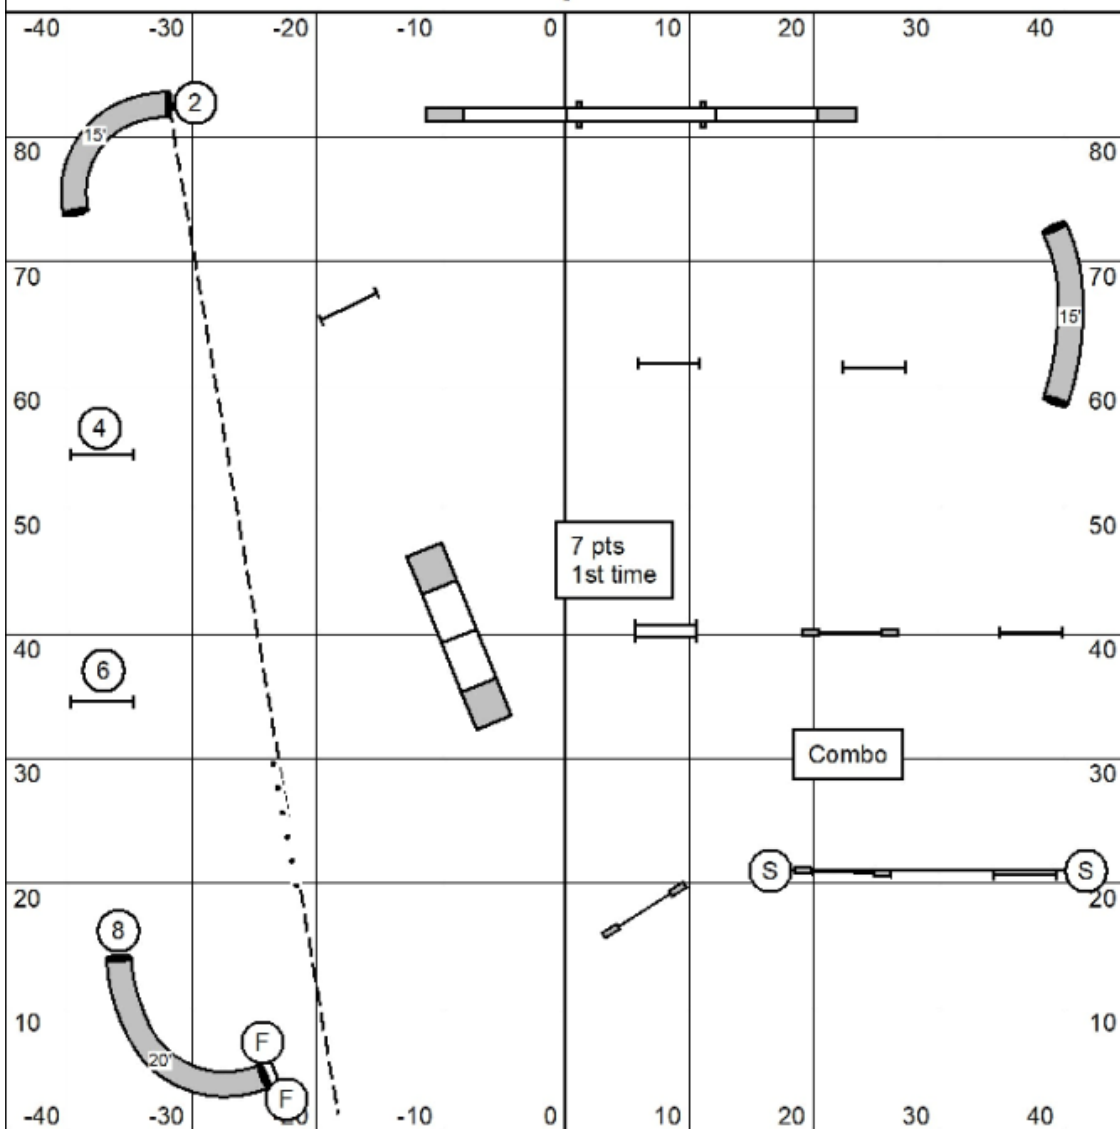

Level 5C needs 24 points plus gamble

Enth/spec need 2 points less

Small dog time- 40 opening; 22 closing
 Big dog time- 35 opening, 20 closing

Jackpot Levels 5 & C
 Round1 & Doubledown
