# JACKPOT 1235C

Begin with the start jump (bidirectional).

All obstacles may be done twice successfully for points. Back-to-back obstacles are allowed if done safely. Double may be done in either direction. Gambles may be done at any time; you do not have to wait for the first buzzer. Gambles may be done in either direction. You may only get gamble points for a sequence once, not in both directions.

The finish jump is live only after the buzzer. The finish jump must be completed to get a time. The finish jump is worth 5 points.

Point values:  
 Jumps including start jump = 1 pt  
 Tunnels, weaves, double = 3 pt  
 Contacts, combo = 5 pt

Gambles are each worth 15 points, you may do all the gambles 1 x for gamble points.

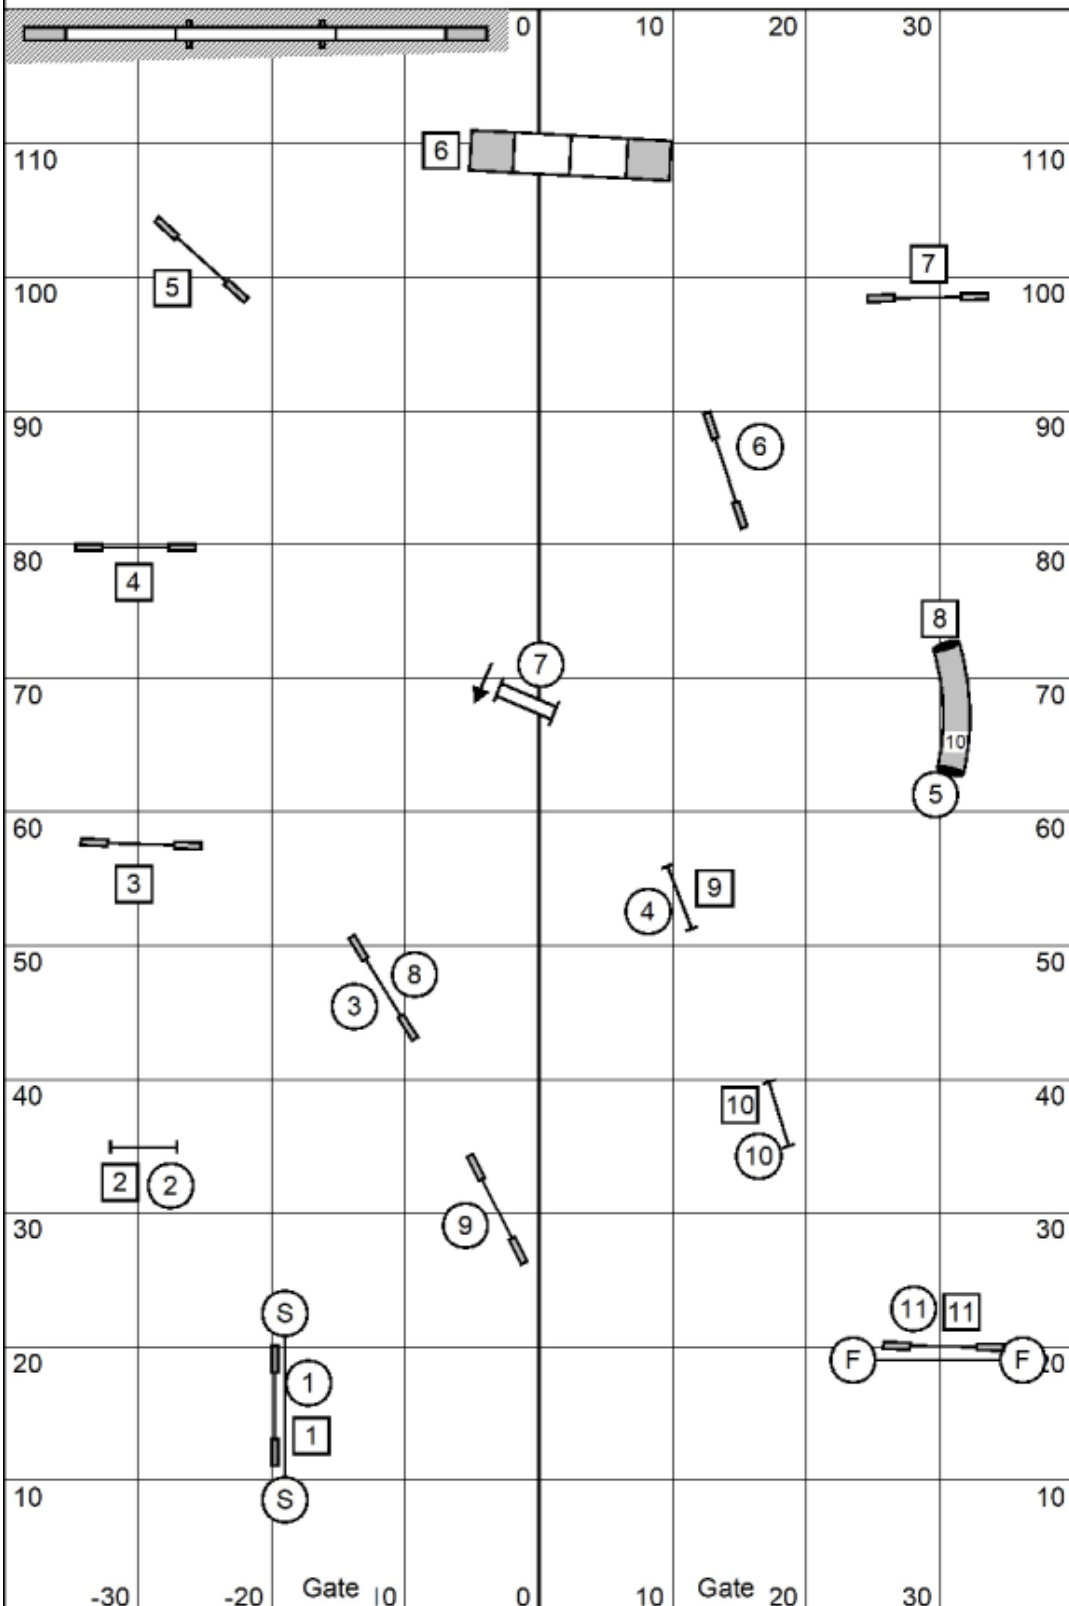

- Circle 123 - bidirectional
- Square 123 - can be done from either side but not from behind the tunnel
- Circle ABC - 3 jumps in sequence, either direction
- ABC or CBA (serp, threadle or combination of either)

Points to qualify:  
 Regular/veterans  
 Level 5C - 44 points  
 Level 3 - 40 points  
 Level 2 - 36 points  
 Level 1 - 32 points

2 points less for Enthusiast/Specialist
